Lodge Performance Metrics Program (PMP)

As the year is coming to an end, we are finalizing our reports and tracking our year over year statistics. We would like to report that for the fourth year in a row we have attained the THRIVING Lodge status in the Performance Metrics Program. Each year we are measured in fifteen areas of development and our scores are continuing to be better each year. Thank you to the Lodge Officers, Committee Chairpersons, and their Advisers for making our Lodge a successful one.

Order of the Arrow High Adventure Opportunities (OAHA)

Do you need an escape from that 9-5 job, summer classes, or the monotony of staring out of your bedroom window longing for something new? If your answer is yes, the Order of the Arrow has the answer for you!

Each summer, the Order of the Arrow offers a myriad of different High Adventure opportunities to meet your summer needs. Maybe it's wetting your appetite by going for a plunge in the Atlantic Ocean with the Ocean Adventure at the Florida Sea Base. Or maybe hiking is your passion; if so, what better place to go than the Philmont Scout Ranch, where you can hike the same trails as your Scoutmaster or Scouting ancestors as a part of your Trail Crew experience? Have you ever thought about what the Native Americans and early explorers did to be avid traders? Maybe the OA Voyage is your calling. Whatever your summer aspirations may be, these National High Adventure bases have put together a multitude of options for you.

Along with your one-week trek completely designed by you, each Arrowman will be afforded the opportunity to leave their mark in history by helping to sure up portage trails, backpacking trails, or coral reefs. Aside from providing a good deed to each of these high adventure bases, every participant will have the opportunity to work closely with other Arrowmen from across the country, who have a similar interest in the future of both the program and the adventure base.

You may be thinking that this is a daunting task, but it is an experience unlike any other afforded to you in Scouting, in that it takes you out of your world and places you with people who want to do something different. It's not every day that you can tell your friends that you climbed into Cypher's Mine, watched the Northern Lights from a canoe, or went scuba diving in the Florida Keys.

These programs help to ensure that the future of Scouting has a place to live, work, and interact. This summer, try something new or do something you thoroughly enjoy! Your destiny awaits you...
